Living with new friends in a safe space with attractive design.

House manager

Our staff also live with First house Funabashi. If there is a problem, we are ready to respond immediately. If you have any questions, you can consult with us. We also organize events for the residents to enjoy.

House management

The shared areas are cleaned by a cleaning service, and our staff. In total, they are cleaned 7 days a week. We also ask our residents to keep the common areas clean.

People from overseas

Interwhao's dormitories are used by many overseas students. Residents can easily get along with each other. If you have any questions, you can help each other or consult with the house manager.

Enjoy international exchange and cuisine!

The property has a year-round foreign resident occupancy rate of around 50%. Not only the location, but you can also enjoy living with foreign residents.

Rooms with different character

Not only socializing, but also privacy is important. Each room is fully furnished and ready to move in. The spacious 6-mat private room allows you to spend time alone.

Center of the property: Living room

The living room with sofa and TV is connected to the kitchen. A place of exchange where everyone gathers! Meeting new friends is priceless.
